

Everything is extremely well Curt, thanks for touching base. Great to hear from you. Drive Safe I know you all have to be missing home right about now. The gifts God has blessed us with are amazing. The energy, spirit, and commitment that you and your wife and friends brought to our home can only be described as a blessing. You have renewed our faith. We had been praying for help every night since the Tornado happened. My family really appreciates the humble fashion in which every gift was delivered. Chattanooga Calvary is amazing and their strength in spirit is incredible

Thanks for letting us be a part of your lives. Without your perseverance, persistence, and fund raising efforts we would not have a roof or a nice place to live. We are very proud of our property and understand implicitly that you are the vessel that brought Jesus to our lives. You did not judge us, You did not humiliate us. You made us feel whole and worthwhile. Your honesty and clear vision for the future of our home and our lives makes a big difference to every one of us including the children whether they realize it yet or not lol. God Bless you on your journey sir and may the Holy Spirit be always with you. Hallelujah I believe in Jesus Christ
