

Dear Friends,

Thank you so much for coming to our aid after the storm last Thursday. We have a home in Gulfshores, but were in Indiana when the storm came.

We appreciate so very much all that you did for our mobile home park.

What a great

witness to people of all faiths to see how you share your Christian commitment by helping others in their time of need.

May God continue to bless all of you as you minister to others.

Sincerely,

Dean + Frances
