

Email from Rita, a homeowner that we helped in Lyons, CO:

Good morning Curt I heard you were leaving....the last of our angels are going home. I can't thank you enough for all your hard work and support to help me rebuild my home. I'm so excited to be able to get back to Lyons soon. Thank you so much for helping me out, you and your wife are awesome people that I feel very blessed to have met. Your hearts and generosity are truly appreciated! I will try to attend on Sunday, thank you for the invite. If I don't get to see you again, please know that I will never forget you and will continue to pray for your strength to carry on and help others. It seems this is your passion and expertise! I will never forget you and hope to meet up with you again someday under better circumstances too! May God love and bless you on your future endeavors as you go onto the next disaster wherever that may be. Thank you again, no worries about the paint job, I'll probably be doing a lot of it myself with help from my son. I really appreciate you getting my wall done in the hallway, thanks so much, I know you have a million projects going on at once! Regards, Rita
