

Dear friends and family,

I had the distinct pleasure of working with these wonderful Godly new friends. The gratitude of the lady and her family made the hard work, sweat and sore muscles were well worth it. What a privilege to be able to serve through this wonderful ministry. My hats off to Relief Ministries Calvary Chapel Sarasota Florida for the awesome work they do for God's kingdom! I worked merely 1 day, yet they have done this every day here in the Jacksonville area for nearly 2 weeks.

The Relief Ministry Team clears downed trees and makes minor (necessary) repairs, for people who are not able to afford (or physically able) to do themselves. They clear up yards at no cost to the home owner. They are wonderful group of people with a heart for the Lord. I am deeply honored to have been a part of them for a day; I wish I could do more with them.

Blessings through Christ Jesus who strengthens us,

Jim
