Dear Mr. and Mrs. Hencye,

On behalf of the Town and staff of Longboat Key, I wanted to thank you for your assistance in feeding and housing our residents who were impacted by the severe weather event on March 31, 2011.

For the residents displaced by the storm damage to their homes, your efforts to secure tarps and remove debris, was invaluable and so much appreciated. The assistance provided by organizations such as yours is so important when we are challenged by devastating events.

Again, please accept my appreciation for stepping up to assist our residents last evening. I can assure you that your generosity will not soon be forgotten by those whose homes sustained damage and those who witnessed your unselfish response to those in need.

My best regards,

James L. Brown,
Mayor
