

Participant/Willing Servant Liability Release Form

As a volunteer with Calvary Relief, The River Ministries or one of their affiliates, I confirm that I am not an employee of Calvary Relief or one of its affiliates.

I, _____, acknowledge and state the following: I have chosen to perform clean-up/construction work resulting from disasters.

I understand that this work entails a risk of physical injury and often involves hard physical labor, heavy lifting, and other strenuous activity, and that some activities may take place on ladders and building framing other than ground level. I certify that I am in good health and physically able to perform this type of work.

I understand that I am engaging in this project at my own risk, and I assume the risk of any personal injury, damages, or loss whether physical, mental, or emotional. I assume personal responsibility for any damage or injury to my property or any personal injury that I may sustain while involved in this project, and related medical costs and any other expenses. I understand it is my responsibility to provide my own health, disability, and accident insurance in the event of any illness or injury experienced during this volunteer mission.

Minors under the age of 18 must be under the supervision of their parents or a group leader that has been given permission by the parents to be responsible for their activities. Parents and/or legal guardians must agree to this document for the minor and do so by signing below.

I understand that this form will remain in effect for this project and all future projects unless written notice is given by me or a representative of Calvary Relief, The River Ministries, or their affiliates.

By my signature, for myself, my estate, and my heirs, I release, discharge, indemnify, and forever hold Calvary Relief, The River Ministries or their affiliates together with their officers, agents, servants, and employees, harmless from any and all causes of action arising from my participation in this project, and travel or lodging, including holding-harmless the property owners and hosts associated therewith, associated therewith, including any damages which may be caused by their negligence or activities.
